Gentlemen:

Please consider Enron Oil & Gas Company's request for approval of an unorthodox location for the above-named well. The Bureau of Land Management requested location of 1830' FNL & 1650' FWL in order to avoid an arroyo as shown on attached copy of Topo map.

The only offset operator to our lease is Hallwood Consolidated Partners, L. P. operating in Sec 11, T-25S, R-33E. Their address is as follows and they were notified via certified mail of this application today September 16, 1994.

Hallwood Consolidated Partners, L. P.  
4582 S. Ulster St. Pkwy - Ste 1700  
Denver, CO 80237  
Certified Receipt # P 156 316 563

If you have any questions, or need additional information, please let me know.

Very truly yours,

+
