1 WHEREUPON, the following proceedings were had at
2 8:23 a.m.:

3 EXAMINER CATANACH: At this time we'll call Case
4 11,132.

5 MR. CARROLL: Application of Meridian Oil, Inc.,
6 for downhole commingling, San Juan County, New Mexico.

7 EXAMINER CATANACH: Are there appearances in this
8 case?

9 MR. KELLAHIN: If the Examiner please, I'm Tom
10 Kellahin of the Santa Fe law firm of Kellahin and Kellahin,
11 appearing on behalf of the Applicant.

12 EXAMINER CATANACH: Any additional appearances?

13 MR. KELLAHIN: Again, Mr. Examiner, this is a
14 case filed by Meridian seeking downhole commingling
15 approval.

16 The circumstances in this case is that we are
17 looking to commingle an existing PC well so that it can be
18 used to produce coal gas reserves. It's a salvage
19 operation. The PC well is ready for abandonment.

20 The reason it appears on your docket today is
21 that the only item of exception under Rule 303 is the fact
22 that there is an ownership difference between the Pictured
23 Cliff and the Basin-Fruitland Coal Gas Pool. We are aware
24 of no objection to this case.

25 We have pre-filed the prepared by the technical

1 staff of Meridian. They appear before you as Exhibits 1
2 through 8.

3 That, in addition to my certificate of notice
4 which I will submit to you, constitute the exhibits in this
5 case, and we move their introduction at this time.

6 EXAMINER CATANACH: Mr. Kellahin, are you aware
7 that notice has been sent out to all the interest owners in
8 the well?

9 MR. KELLAHIN: I am aware of that, and you will
10 find in the exhibit book, I believe behind Exhibit Tab
11 Number 2, copies of the notice list, as well as photocopies
12 of the green return receipt cards, showing that that has
13 occurred.

14 In addition, after the hearing I will submit to
15 you a written certificate that that has in fact taken
16 place.

17 EXAMINER CATANACH: Is there anything else in
18 this case?

19 MR. KELLAHIN: I am aware of nothing else.

20 EXAMINER CATANACH: There being nothing further,
21 Exhibits 1 through 8 will be admitted as evidence in this
22 case, and Case 11,133 will be taken under advisement.

23 (Thereupon, these proceedings were concluded at
24 8:25 a.m.)
