1           WHEREUPON, the following proceedings were had at  
2   8:51 a.m.:

3  
4  
5           EXAMINER CATANACH: Okay, at this time we'll call  
6   Case 11,148.

7           MR. CARROLL: Application of Meridian Oil, Inc.,  
8   for downhole commingling and a nonstandard gas proration  
9   unit, San Juan County, New Mexico.

10          EXAMINER CATANACH: Are there appearances in this  
11   case?

12          MR. KELLAHIN: Mr. Examiner, I'm Tom Kellahin of  
13   the Santa Fe law firm of Kellahin and Kellahin, appearing  
14   on behalf of the Applicant.

15          EXAMINER CATANACH: Are there any additional  
16   appearances?

17          Mr. Kellahin?

18          MR. KELLAHIN: Mr. Examiner, with your permission  
19   we would request that, because there is no objection to  
20   this matter, that it be submitted to you for decision based  
21   upon the submittal of the hearing exhibits, which I will  
22   submit to you after the conclusion of the hearing.

23          The reason this is on the docket, Mr. Examiner,  
24   is that the proposed downhole commingling complies with  
25   Division Rule 303 for commingling purposes on an

1 administrative proceeding, with the exception that there is  
2 a difference in ownership between the two spacing units.

3 For that reason alone, then, it's been docketed  
4 to see if there was any objection to its approval.

5 There appearing to be none, we would request that  
6 you take this matter under advisement.

7 EXAMINER CATANACH: Okay, there being nothing  
8 further in this case, Case 11,148 will be taken under  
9 advisement.

10 (Thereupon, these proceedings were concluded at  
11 8:51 a.m.)
