Dear Mr. Catanach:

On behalf of Meridian Oil Inc, I presented the referenced cases appeared to you on your December 1, 1994 docket. Because there was no objection, the cases were taken under advisement and you granted my request to submit the hearing exhibits, without witnesses.

Please find enclosed for your consideration, a separate exhibit book for each case.

The only reason these cases cannot be submitted to you for consideration through the administrative processing of Rule 303 is that the ownership between the two spacing units is different.

Very truly yours,
