Re: *NMOCD Case 11218: Application of
Naumann Oil & Gas, Inc. for Compulsory
Pooling and an Unorthodox Gas Well Location,
Eddy County, New Mexico*

Dear Mr. Stogner:

In the absence of a voluntary agreement, my client, Naumann Oil & Gas Inc. is seeking a compulsory pooling order against S. P. Yates. This matter is currently set for hearing on March 16, 1995.

However, I have been informed by William F. Carr, attorney for S. P. Yates, that Mr. Yates has no record of receiving a copy of the notice of hearing. On February 23, 1995 we sent notice of hearing for this case but have not received back the return receipt card to show that S. P. Yates was notified. Therefore on March 7, 1995, I sent notice to S. P. Yates by Federal Express which was delivered on March 8, 1995.

Accordingly, please continue the referenced case until the April 6, 1995 to cure the notice problem and to provide the parties with an additional period in which to pursue a voluntary agreement.

Very truly yours,

W. Thomas Kellahin
