Dear Mr. Stogner:

Per our telephone conversation this day, I appreciate the re-scheduling of our hearing for May 4, 1995.

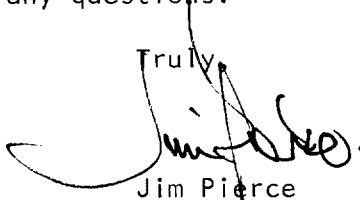

As mentioned, however, we are forced to put our oil and gas development plans on hold indefinitely and request a postponement.

If I could have the latitude of contacting you when we are positive of our situation and in essence just start from scratch, it would be appreciated.

I thank you for your help and consideration.

Please contact me if you have any questions.

Truly,

Jim Pierce
