Re: Application of Enron Oil & Gas Company for Compulsory Pooling, Lea County, New Mexico

Gentlemen:

This letter is to advise you that Enron Oil & Gas Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of certain mineral interests in all formations to the base of the Bone Spring formation, in and under the NW/4 NW/4 of Section 20, Township 25 South, Range 35 East, N.M.P.M., Lea County, New Mexico. Enron Oil & Gas Company proposes to dedicate the referenced pooled unit to its Gulf Federal No. 1 Well located 660 feet from the North and West lines of said Section 20.

This application has been set for hearing before a Division Examiner on April 6, 1995. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
