**STATEMENT OF CASE**

**APPLICANT**

(Please make a concise statement of what is being sought with this application and the reasons therefor.)

Application of Yates Petroleum Corporation for approval of a pressure maintenance project, Chaves County, New Mexico. Applicant, in the above-styled cause, seeks authority to institute its Acme San Andres Southeast - Pressure Maintenance Project by injection of water into the Southeast Acme-San Andres Pool through the perforated interval from approximately 2162 feet to 2182 feet in its Quincy "AMQ" State Well No. 8, located 2310 feet from the North and West lines (Unit F) of Section 12, Township 8 South, Range 27 East, N.M.P.M. The project area is comprised of the NW/4 of said Section 12.

**OPPOSITION OR OTHER PARTY**

(Please make a concise statement of the basis for opposing this application or otherwise state the position of the party filing this statement.)
