Re: Application of Marbob Energy Corporation for an Unorthodox Well Location,
Chaves County, New Mexico

Gentlemen:

This letter is to advise you that Marbob Energy Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for its White Fang No. 1 Well in the Devonian formation. This well is to be drilled to an unorthodox Devonian location 1353 feet from the North line and 1914 feet from the West line of Section 33, Township 13 South, Range 29 East, N.M.P.M., Chaves County, New Mexico. The SE/4 NW/4 of Section 33 will be dedicated to this well.

This application has been set for hearing before an Examiner of the Oil Conservation Division on April 6, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,
