Amoco Production Company hereby makes application for compulsory pooling all mineral interests from the base of the Fruitland Coal formation to the base of the Pictured Cliffs formation underlying the NE/4 of Section 14, T29N-R13W thereby forming a standard 160 acre gas spacing and proration unit for the Undesignated-West Kutz Pictured Cliffs Pool to be dedicated to the Roberts #1 Well to be drilled at a standard location in the NE/4.

In support of this application, Amoco states that it is the owner of majority of the working interest in the Undesignated-West Kutz Pictured Cliffs Pool in the NE/4 of Section 14, T29N-R13W and should be named operator of the above referenced well.
