

CASE 11269:

Application of Amerada Hess Corporation for pool creation, the promulgation of special pool rules and an unorthodox well location, Lea County, New Mexico. Applicant seeks the creation of a new pool for the production of gas from the Ellenberger formation underlying Section 5, Township 23 South, Range 34 East, N.M.P.M., and for the promulgation of special rules and regulations therefore including 640-acre gas spacing units and designated well location requirements as the result of the discovery of hydrocarbons in the Ellenberger formation in its North Bell Lake Unit Well No. 2 located 1100 feet from the South line and 1500 feet from the West line in said Section 5. The proposed pool boundary is located approximately 20 miles southwest of Eunice, New Mexico.
