Dear Sirs:

This Letter Agreement is made as of April 10, 1995 by and between Marathon Oil Company ("Marathon"), an Ohio corporation whose address for the purpose of this agreement is 125 West Missouri, Midland, Texas 79701 and Medallion Production Company ("Medallion"), on behalf of itself and other owners in the below referenced Well, whose address is 200 Mid-Continent Tower, 401 S. Upon execution of this agreement, all parties agree to abide by and be bound by the following terms and conditions.

Marathon will provide Medallion with a mutually acceptable waiver and agree not to oppose their unorthodox well location ("Well") to be located 660' from the south line and 1980' from the east line of Sec. 31, Township 16 South, Range 35 East, N.M.P.M., Lea County, New Mexico.

In exchange for the above waiver, Medallion will provide Marathon, if obtained, with the following information pertinent to the Well;

2. Final drilling report
3. Core reports(s)
4. BHP report(s)

In addition to the above information, Medallion, representing itself and other parties to the Well, agree that they will, if requested, provide Marathon with a mutually acceptable waiver and agree not to oppose any future unorthodox location(s) Marathon proposes or participates in, in Section 6, Township 16 South, Range 35 East, N.M.P.M., Lea County, New Mexico, with a similar or greater stand off than Medallion's proposed Well. The future waiver shall provide Medallion with the same information on Marathon's well(s), as contained in this agreement.

The above language constitutes the entire agreement between the parties.

Gentlemen:

BTA Oil Producers does hereby waive objection to your drilling at an unorthodox location, 660' FSL and 1980' FEL of Section 31. It is our understanding that this location is being drilled to test the Atoka formation. This waiver, however, applies to all formations spaced on 320 acre spacing.

In addition, it is BTA Oil Producers understanding that Medallion Petroleum Company will grant BTA a like waiver in the W/2 of Section 31, T-16-S, R-35-E.

If this meets with your approval, please sign and return one copy of this waiver letter. Thank you for your consideration of this matter.

Yours Very Truly,

**Re: Application of Medallion Production Company for Compulsory Pooling
and an Unorthodox Well Location, Lea County, New Mexico**

Gentlemen:

This letter is to advise you that Medallion Production Company has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests in the E/2 of Section 31, Township 16 South, Range 35 East, N.M.P.M., Lea County, New Mexico. Medallion Production Company proposes to dedicate the referenced pooled units to a well to be drilled to the Atoka formation. The well will be a wildcat well for all formations except the Atoka formation where it will be in the undesignated North Vacuum Atoka-Morrow Gas Pool. The well will be drilled at an unorthodox location 660 feet from the South line and 1980 feet from the East line of said Section 31.

This application has been set for hearing before a Division Examiner on April 20, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.
