1           WHEREUPON, the following proceedings were had at  
2   11:00 a.m.:

3           EXAMINER CATANACH:   Okay, at this time I'll call  
4   Case 11,321, the Application of D&J Oil Company for an  
5   unorthodox oil well location, Lea County, New Mexico.

6           Are there appearances in this case?

7           MR. CARR:   May it please the Examiner, my name is  
8   William F. Carr with the Santa Fe law firm Campbell, Carr  
9   and Berge.

10          We represent D&J Oil Company in this matter.

11          As you may recall, Mr. Examiner, only four weeks  
12   ago we had this case before you.

13          At that time, we discovered it was necessary to  
14   continue the case to let the full 20-day notice period run.

15          That has occurred, and I have an affidavit I  
16   would like to offer in this case, confirming that notice of  
17   the D&J Application has been provided in accordance with  
18   OCD rule.

19          Attached to the affidavit are the notice letters,  
20   the return receipts and a summary of the parties who have  
21   been notified.

22          EXAMINER CATANACH:   Okay, Mr. Carr, your  
23   affidavit will be admitted as evidence in this case.

24          MR. CARR:   And that concludes our presentation in  
25   this matter.

1 EXAMINER CATANACH: Okay, there being nothing  
2 further, Case 11,321 will be taken under advisement.

3 (Thereupon, these proceedings were concluded at  
4 11:01 a.m.)
