Re: Case No. 11326:

Application of Texaco Exploration and Production Inc. for a high angle/horizontal directional drilling pilot project, special operating rules therefor, a non-standard oil proration unit, simultaneous dedication, and a special project allowable, Rio Arriba County, New Mexico

Dear Mr. LeMay:

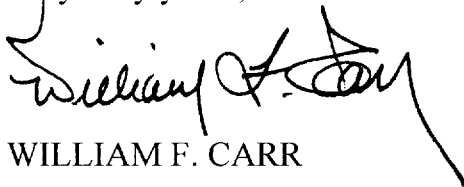

Texaco has discovered that the above-referenced case currently scheduled for hearing before a Division Examiner on July 13, 1995 contains an error in the docket and legal advertisement. This case involves the Jicarilla C Well No. 35 which is located in the S/2 of Section 21, Township 25 North, Range 5 West. This case has been docketed and advertised as being located in Range 3 West. Accordingly, Texaco requests that the case be readvertised for the July 27, 1995 docket.

At the July 13, 1995 hearing, Texaco will request permission to present testimony in Case 11326 and ask that the case then be left open until the notice period has run on July 27, 1995.
