Re: NMOCC Case 11353  
Proposed Changes to Rule 303

Dear David:

Enclosed is a rough draft Commission order and a diskette. This draft has not been reviewed or approved by my clients. I attempted to write the order to approve the suggested changes you proposed at the hearing and postpone the other changes until we can discuss them. If you would like me to "circulate" this draft order to the industry, let me know.

Please let me know when I can meet with you about the other changes to Rule 303 proposed by industry.

Regards,
