Re: Case No. 11,358, Application of Nearburg Exploration Company/Nearburg Producing Company to terminate injection operations into two certain disposal wells by rescinding Division Order No. R-7637 and Administrative Order SWD-336, Eddy County, New Mexico.

Dear Messrs. Turner, Bruce, and Carroll:

Reference is made to Anadarko Petroleum Corporation's motion to continue the above-referenced case from the August 10, 1995 hearing to the hearing scheduled for September 7, 1995, by way of an opposing motion "faxed" on August 4, 1995, and to subsequent correspondences from Mr. Bruce dated August 4 and 7, 1995, postponement for four weeks is not an unreasonable request.

Therefore, a continuance of this case to the September 7, 1995 docket is hereby approved.

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael E. Stogner". The signature is fluid and stylized, with a long horizontal line extending to the right.
