Re: **NON-STANDARD GAS PRORATION UNIT**
State "S" #4
Unit Letter C, Section 15, Township 21S, Range 37E
LEA COUNTY, NEW MEXICO

Dear Mr. Lemay,

Texaco Exploration and Production Inc. respectfully requests administrative approval to produce the State "S" #4 on a non-standard 120 acre gas proration unit in the Hare San Andres pool. Texaco is planning to plug back the current completion in the Brunson Ellenburger pool, and recompleate up-hole into the Hare San Andres interval. A map of the subject well with offset tracts, ownership, and wells is attached along with the proposed acreage plat.

All offset operators have been notified of the situation proposed above by copy of this letter sent by certified mail. If you have any questions concerning this request please contact Darrell J. Carriger @ (505) 397-0426. Thank you for your consideration of this proposal.

Sincerely,

Darrell J. Carriger
Engineering Assistant
