Re: Application of AnSon Gas Corporation for Compulsory Pooling, Lea County,  
New Mexico

Dear Mr. Tissue:

This letter is to advise you that AnSon Gas Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests in all formations to the base of the Strawn formation, in and under the NW/4 NW/4 of Section 9, Township 17 South, Range 38 East, N.M.P.M., Lea County, New Mexico. AnSon Gas Corporation proposes to dedicate the referenced pooled unit to the Schaap 9 No. 1 Well to be drilled at an orthodox location in the NW/4 NW/4 of Section 9, to test all formations to the base of the Strawn formation.

This application has been set for hearing before a Division Examiner on August 24, 1995. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

This letter is to advise you that AnSon Gas Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests in all formations to the base of the Strawn formation, in and under the NW/4 NW/4 of Section 9, Township 17 South, Range 38 East, N.M.P.M., Lea County, New Mexico. AnSon Gas Corporation proposes to dedicate the referenced pooled unit to the Schaap 9 No. 1 Well to be drilled at an orthodox location in the NW/4 NW/4 of Section 9, to test all formations to the base of the Strawn formation.

This application has been set for hearing before a Division Examiner on August 24, 1995. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.
