Re: Application of Texaco Exploration and Production Inc. for an Unorthodox
Well Location, Eddy County, New Mexico

Gentlemen:

This letter is to advise you that Texaco Exploration and Production Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for its Dow "B" 28 Federal No. 1 Well in the Devonian and Morrow formations. This well is to be drilled at an unorthodox location 1028 feet from the South line and 1227 feet from the East line of Section 28, Township 17 South, Range 31 East, N.M.P.M., Eddy County, New Mexico. The SE/4 SE/4 of Section 28 will be dedicated to this well in the Devonian formation and the S/2 of Section 28 will be dedicated to this well in the Morrow formation.

This application has been set for hearing before an Examiner of the Oil Conservation Division on September 21, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
ATTORNEY FOR TEXACO EXPLORATION AND PRODUCTION INC.

Re: Application of Texaco Exploration and Production Inc. for an Unorthodox
Well Location, Eddy County, New Mexico

Gentlemen:

This letter is to advise you that Texaco Exploration and Production Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for its Dow "B" 28 Federal No. 1 Well in the Devonian and Morrow formations. This well is to be drilled at an unorthodox location 1028 feet from the South line and 1227 feet from the East line of Section 28, Township 17 South, Range 31 East, N.M.P.M., Eddy County, New Mexico. The SE/4 SE/4 of Section 28 will be dedicated to this well in the Devonian formation and the S/2 of Section 28 will be dedicated to this well in the Morrow formation.

This application has been set for hearing before an Examiner of the Oil Conservation Division on September 21, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Gentlemen:

This letter is to advise you that Texaco Exploration and Production Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for its Dow "B" 28 Federal No. 1 Well in the Devonian and Morrow formations. This well is to be drilled at an unorthodox location 1028 feet from the South line and 1227 feet from the East line of Section 28, Township 17 South, Range 31 East, N.M.P.M., Eddy County, New Mexico. The SE/4 SE/4 of Section 28 will be dedicated to this well in the Devonian formation and the S/2 of Section 28 will be dedicated to this well in the Morrow formation.

This application has been set for hearing before an Examiner of the Oil Conservation Division on September 21, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR

Re: Application of Texaco Exploration and Production Inc. for an Unorthodox
Well Location, Eddy County, New Mexico

Gentlemen:

This letter is to advise you that Texaco Exploration and Production Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for its Dow "B" 28 Federal No. 1 Well in the Devonian and Morrow formations. This well is to be drilled at an unorthodox location 1028 feet from the South line and 1227 feet from the East line of Section 28, Township 17 South, Range 31 East, N.M.P.M., Eddy County, New Mexico. The SE/4 SE/4 of Section 28 will be dedicated to this well in the Devonian formation and the S/2 of Section 28 will be dedicated to this well in the Morrow formation.

This application has been set for hearing before an Examiner of the Oil Conservation Division on September 21, 1995. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
ATTORNEY FOR TEXACO EXPLORATION AND PRODUCTION INC.
