Attention: Mr. John W. Pride

John:

Here is the proposed advertisement for the Examiner Hearing on March 6, 1997. Take a look at it and make sure it accurately depicts what you are seeking. In addition, it appears that EDC notified the BLM of the original application, so BLM will have to be notified of the reopened case and furnished a copy of the new evidence. Call me if you have any questions.

Sincerely,

David Catanach
