Re: Case No. 11476

Dear Mr. LeMay:

This will confirm my phone conversation yesterday with Florene Davidson regarding my request that the above-referenced matter be continued from the July 11 docket to the Division's July 25 docket. This request is in addition to the two matters for which I requested an extension in my letter of July 8, 1996. Thank you for your attention.

Very truly yours,

GALLEGOS LAW FIRM, P.C.
