Subject: Final Report of the Dagger Draw Complex Operators Committee

References: Division Orders R-4691-G and R-5353-L-4 dated November 14, 1996
Letter from Mr. William J. LeMay to Mr. Dave Boneau dated December 3, 1997

Dear Ms. Wrotenbery:

Pursuant to referenced Division Orders and letter, the Dagger Draw Complex Operators Committee was to have submitted a report to the Oil Conservation Commission by now. While a draft of that report has been written and reviewed internally, the review identified areas in need of some revisions. This is to advise you that such revisions are in progress and that the report will be forthcoming. We anticipate that the report will be submitted to the Commission by March 15, 1999.

Thank you for your consideration regarding this matter.

Sincerely,

David F. Boneau
Chairman, Dagger Draw Complex Operations Committee
