**ORDER OF THE DIVISION**

**BY THE DIVISION:**

This cause came on for hearing at 8:15 a.m. on June 13, 1996, at Santa Fe, New Mexico, before Examiner Michael E. Stogner.

NOW, on this 8th day of July, 1996, the Division Director, having considered the testimony, the record, and the recommendations of the Examiner, and being fully advised in the premises,

**FINDS THAT:**

- (1) Due public notice having been given as required by law, the Division has jurisdiction of this cause and the subject matter thereof.
- (2) The applicant, Mewbourne Oil Company, seeks approval to drill its State "B" Com Well No. 4 at an unorthodox gas well location in the Cemetery-Morrow Gas Pool 1650 feet from the North line and 660 feet from the West line (Unit E) of Section 33, Township 19 South, Range 25 East, NMPM, Eddy County, New Mexico. The N/2 of said Section 33 is to be dedicated to said well forming a standard 320-acre gas spacing and proration unit for said pool.
- (3) The applicant presented geological testimony and evidence, which indicates that a well drilled at the proposed unorthodox gas well location will be at a more favorable geologic position within the Morrow formation than a well drilled at a location considered to be standard.

(4) No off-setting operator and/or interest owner appeared at the hearing in opposition to this application.

(5) Approval of this application should serve to increase the likelihood of obtaining commercial gas production from the Morrow formation within the N/2 of said Section 33, will afford the applicant the opportunity to produce its just and equitable share of the gas in the Cemetery-Morrow Gas Pool, will prevent the economic loss caused by the drilling of unnecessary wells, avoid the augmentation of risk arising from the drilling of an excessive number of wells and will otherwise prevent waste.

**IT IS THEREFORE ORDERED THAT:**

(1) The application of Mewbourne Oil Company to drill its State "B" Com Well No. 4 at an unorthodox gas well location in the Cemetery-Morrow Gas Pool 1650 feet from the North line and 660 feet from the West line (Unit E) of Section 33, Township 19 South, Range 25 East, NMPM, Eddy County, New Mexico is hereby approved.
