- 3. Logro will have the option to continuously develop the farmout acreage under a 180 day development program.
- 4. You will retain an overriding royalty equal to the difference between 25% and existing lease burdens with the option to convert said override to a 25% working interest after payout or to increase said override by an additional 5% after payout.
- 5. All interests are subject to proportionate reduction.
- 6. The only penalty for failure of Logro to timely commence the above described test shall be the forfeiture of the right to earn any acreage hereunder.
