Dear Messrs. Haas and Carr:

The Motion to Quash filed by Bass is hereby granted. During the hearing scheduled for February 20, 1997, Mewbourne will have the opportunity to show why the extensive information requested in its subpoena is necessary for it to address the issues in this case. At that time Mewbourne can renew its request for the information. If such request is granted, this case will be held open and continued to the next hearing date to allow the introduction of additional evidence/testimony resulting from the requested information.

If you have any questions, please call me at 505/827-8156.

Sincerely,

Rand Carroll  
Counsel
