Re: *Application of Collins & Ware, Inc. for Special Pool Rules, Lea County, New Mexico*

Gentlemen:

This letter is to advise you that Collins & Ware, Inc., has filed the enclosed application with the New Mexico Oil Conservation Division seeking an order promulgating Special Pool Rules and Regulations for the East Warren-Tubb Pool including a 6,000 to 1 Gas/Oil Ratio.

This application has been set for hearing before an Examiner of the Oil Conservation Division on June 12, 1997. You are not required to attend the hearing, but as the owner of an interest that may be affected by this application, you may appear at the hearing and present testimony. Failure to appear at that time or otherwise become a party of record will preclude you from challenging this application at a later date.

Parties appearing in cases before the Division have been requested to file a Pre-hearing Statement substantially in the form prescribed by the Division (Oil Conservation Division Memorandum 2-90). Pre-hearing statements should be filed by 4:00 o'clock p.m., on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
