Gentlemen:

According to our records you own a 0.80595% interest in the operating rights in the referenced Federal Lease. Your interest in operating rights is located below any producing formations and is separate from the interest you own in the producing shallow formations. Meridian Oil Inc. is operator of the wells and owner of the operating rights in this lease in the producing formations.

In an effort to consolidate the lease record, Meridian would like to purchase your non-producing interest in this lease for \$100.00.

If you are interested in selling your non-producing operating rights to Meridian, please sign below and return this letter in the enclosed self-addressed stamped envelope. As soon as Meridian receives your signed letter, you will be sent the assignment forms. Once these are executed and accepted by Meridian, you will be sent a check in the amount of \$100.00.
