Re: **CASE 11809 (*De Novo*)**
Application of Burlington Resources Oil and Gas Company
for Compulsory Pooling

Gentlemen:

Mr. Kellahin has requested that the Oil Conservation Commission dismiss the Division appeal in the above-referenced case. It is my understanding that Mr. Hall and Mr. Gallegos have approved a stipulated dismissal of their De Novo applications in this case. Consequently, De Novo Case 11809 is dismissed and Order No. R-10878 is continued in full force and effect until further order.

Sincerely,

LORI WROTENBERY
Director
