*For each of these parties, information was checked for phone numbers, Pro-CD rom was checked, all available oil and gas industry directories were checked on December 22, 1997. No current names or phone numbers were located and all certified mailings to the last known address were returned.

**On June 10, 1997 I spoke with Mr. Harold T. Wright and he agreed to sell his minute interest for \$25.00. I sent him a check and he never signed the conveyance. We left messages on his answering machine on June 15th and 16th as a verbal follow-up and our calls were not returned. We sent Mr. Wright a well proposal and AFE on December 22, 1997. He received the proposal but he never responded in any fashion. We tried to call him on Monday, January 5, 1998 and we received a recording that his number was no longer in service.
