Dear Mr. Stogner:

Please check on the status of Sonat Exploration Company's Order from the New Mexico Oil Conservation Division regarding the above referenced matter. Our Application was uncontested. A couple of months back this matter was verbally approved by your office; however, we have not been issued a formal Order.

Sonat has decided to sell our production in this area and we would like to received the formal Order prior to transferring the property to the new owner.

Your earliest consideration would be appreciated. Should you require additional information or have any questions, please feel free to contact me at 915-684-0417 or our Senior Petroleum Engineer, Todd Moehlenbrock at 915-684-0415.

Very truly yours,
SONAT EXPLORATION COMPANY
