Re: Case 11993; Application of John H. Hendrix Corporation for compulsory pooling and an unorthodox oil well location, Lea County, New Mexico

Dear Mr. Stogner:

I received John H. Hendrix Corporation's proposed order, and noticed that Hendrix wants a penalty on surface equipment which is already in place. See Hendrix Exhibit 8. I believe there is no risk involved in surface facilities, and certainly not in equipment already in place, and ask that no penalty be assessed against such amounts.

Very truly yours,

James Bruce

Attorney for Ruth Anne Yeager Hansen and Henry Yeager, Jr.
