1 WHEREUPON, the following proceedings were had at
2 9:00 a.m.:

3 CHAIRMAN WROTENBERY: Okay, I think we're ready
4 to get started here.

5 This is the meeting of the Oil Conservation
6 Commission for August 23rd, 2000. We're here in the Oil
7 Conservation Division conference room in Santa Fe, New
8 Mexico. It's about 9:00 a.m.

9 Dr. Lee is with us as well. He is participating
10 in this meeting by conference call. And Commissioner
11 Bailey is here, as well as myself, Lori Wrotenbery.

12 We have just a couple of items. This may
13 actually be a record, I'm not sure. We've had some pretty
14 short meetings before, but this one may be even shorter.

15 We've got the minutes, one case that's been
16 continued and another case which we'll review a draft order
17 and, I think, proceed to finalize that order.

18 First off, the minutes of the Oil Conservation
19 Commission meeting held on July 21st, 2000. Commissioners,
20 have you had a chance to review the draft minutes?

21 COMMISSIONER BAILEY: Yes, I have, and I move
22 that we approve them.

23 COMMISSIONER LEE: I second.

24 CHAIRMAN WROTENBERY: All in favor say "Aye".

25 COMMISSIONER BAILEY: Aye.

1 COMMISSIONER LEE: Aye.

2 CHAIRMAN WROTENBERY: Aye. Florene has a copy
3 for me here to sign.

6 CHAIRMAN WROTENBERY: Okay, and then we did have
7 on the agenda for today Case 12,008, the Application of
8 Robert E. Landreth for a determination of reasonable well
9 costs in Lea County, New Mexico.

10 This case will be heard *de novo* pursuant to the
11 provisions of Rule 1220, but it has been continued to the
12 Commission's hearing on October 27th, 2000, at the request
13 of the *de novo* Applicant, Robert E. Landreth.

14 (Thereupon, these proceedings were concluded at
15 9:05 a.m.)
