**Re:** Case No. **12,008**: Application of Robert E. Landreth for a determination of reasonable well costs associated with the force pooling order issued in Division Order No. R-10764, Lea County, New Mexico.

Dear Messrs. Carr and Kellahin:

Reference is made to Mr. Kellahin's letter dated July 2, 1998 on behalf of Santa Fe Energy Resources, Inc. requesting a continuance of this matter until such time as a scheduled audit of well costs is completed. This request is reasonable; therefore, Case 12,008 will be continued to the September 3, 1998 Examiner's docket.

Sincerely,

Sincerely,

Michael E. Stogner  
Chief Hearing Officer/Engineer
