Re: Properly Abandoned Wells

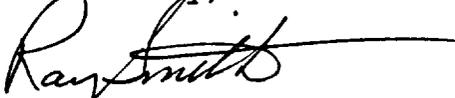

Dear Mr. Harlow,

On October 5, 1995 I mailed you a letter with the rules in regard to orphaned or idle wells asking you to send us a plan to bring these wells into compliance.

As of this date we have received nothing from you nor have we heard from you in regard to this matter.

Please be advised that if you fail to respond in 15 days I will request our legal department to schedule a show cause hearing to order the wells plugged.

Yours Truly,

Ray Smith
Deputy Oil & Gas Inspector
