Subject: Abolishment of Sand Dunes; Cherry Canyon Oil Pool

David,

Last week, Tim asked that I assist you in review of Devon's proposed abolishment of the Sand Dunes; Cherry Canyon Oil Pool in Eddy County. I pulled all the R-Orders that created and extended Delaware Pools and hunted through Byrum's looking for similar administrative orders specifically addressing extending the limits of the Delaware to include the whole thing. I have not been able to find any.

Other than requiring notification to offset operators and royalty owners???, I have no objection to their proposal. This is something I don't normally do, so I am somewhat in the dark on where to start.

If I can be of any 'further' assistance feel free to call,

Bryan
