Florene Davidson  
Oil Conservation Division  
2040 South Pacheco Street  
Santa Fe, New Mexico 87505

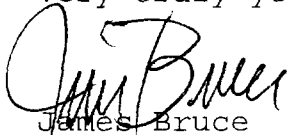

Dear Florene:

Enclosed are two copies of proposed advertisements for each of the following cases, filed on behalf of The Wiser Oil Company:

1. Application for certification of a positive production response in the Caprock Maljamar Unit Area, Lea County.
2. Application to qualify the Skelly Unit Area Waterflood Expansion Project for the recovered oil tax rate, Eddy County.
3. Application to qualify the Lea "D" Lease Waterflood Expansion Project for the recovered oil tax rate, Eddy County.
4. Application to qualify the State "AZ" Lease Waterflood Expansion Project for the recovered oil tax rate, Eddy County.

Wiser previously filed administrative applications on each of the above matters, but was informed by the Division that hearings were necessary. Therefore, I am not filing additional applications for each matter. Please set these cases for the March 18, 1999 Examiner hearing. Thank you.

Very truly yours,

  
James Bruce
