Re: Application of Energen Resources Corporation for Compulsory Pooling
Lea County, New Mexico (Beadle #1)

Dear Ms. Shepard:

This will advise that Energen Resources Corporation, has filed an application with the New Mexico Oil Conservation Division seeking an order for the compulsory pooling of all mineral interests in Strawn formation and the Wolfcamp formation in and under the W/2 SW/2 of Section 35, Township 15-S, Range 35-E, NMPM, Lea County, New Mexico. (A copy of the application is enclosed.) Energen Resources Corporation proposes to dedicate the referenced pooled units to a well drilled at a standard location in the SW/4 SW/4 of said Section 35.

This application will be set for hearing before a Division Examiner on April 29, 1999, at the New Mexico Oil Conservation Division, 2040 South Pacheco, Santa Fe, New Mexico. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging this application at a later time.
