Re: *Case No. 12179: Application of Enerquest Resources, L.L.C. to amend special pool rules for the East Hobbs-San Andres Pool, Lea County, New Mexico*

Dear Mr. Catanach:

Pursuant to your request at the May 13, 1999 Examiner hearing in the above-referenced case, enclosed is a Well Test Production Plot showing the results of the 1997 testing of the Enerquest C. O. Davis Well No. 5. As you will see, this data also confirms that the P2 through P4 San Andes zones in the East Hobbs-San Andres Pool are not rate sensitive.

If you need additional information from Enerquest for your consideration of this application, please advise.

Very truly yours,

WILLIAM F. CARR  
WFC:mlh
