Re: Application of Redwolf Production, Inc. for compulsory pooling, San Juan  
County, New Mexico.

Gentlemen:

This letter is to advise you that Redwolf Production, Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking the compulsory pooling of certain spacing and proration units in the N/2 of Section 36, Township 26 North, Range 13 West, NMPM, San Juan County, New Mexico. Said units will be dedicated to Redwolf's proposed Bear Well No. 1 which it proposes to drill at a standard location in the NE/4 NE/4 of said Section 36 to test all formations from the surface to the base of the Pictured Cliffs formation.

This application has been set for hearing before a Division Examiner on December 2, 1999. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division.

Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

*William F. Carr*

Gentlemen:

This letter is to advise you that Redwolf Production, Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking the compulsory pooling of certain spacing and proration units in the N/2 of Section 36, Township 26 North, Range 13 West, NMPM, San Juan County, New Mexico. Said units will be dedicated to Redwolf's proposed Bear Well No. 1 which it proposes to drill at a standard location in the NE/4 NE/4 of said Section 36 to test all formations from the surface to the base of the Pictured Cliffs formation.

This application has been set for hearing before a Division Examiner on December 2, 1999. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division.

Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

*William F. Carr*

Mr. Herbert R. Briggs  
1405 San Pablo  
Albuquerque, NM 87110

Re: Application of Redwolf Production, Inc. for compulsory pooling, San Juan  
County, New Mexico.

Gentlemen:

This letter is to advise you that Redwolf Production, Inc. has filed the enclosed application with the New Mexico Oil Conservation Division seeking the compulsory pooling of certain spacing and proration units in the N/2 of Section 36, Township 26 North, Range 13 West, NMPM, San Juan County, New Mexico. Said units will be dedicated to Redwolf's proposed Bear Well No. 1 which it proposes to drill at a standard location in the NE/4 NE/4 of said Section 36 to test all formations from the surface to the base of the Pictured Cliffs formation.

This application has been set for hearing before a Division Examiner on December 2, 1999. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division.

Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

*William F. Carr*
