This image shows a long, narrow, vertical strip of ancient papyrus, likely a fragment from the Book of the Dead of Hunefer. The strip is covered in hieroglyphs, which are arranged in columns. The papyrus is dark in color, and the hieroglyphs are light, creating a high-contrast pattern. The strip is oriented vertically, and the hieroglyphs are arranged in columns that run parallel to the length of the strip. The fragment appears to be a section of a larger document, as evidenced by the irregular edges and the way the hieroglyphs are arranged.
