Re: Order No. R-11330 (Case No. 12308); application of Pogo
Producing Company for compulsory pooling, Eddy County,
New Mexico

Dear Ms. Wrotenbery:

The above order requires work on the subject well to be commenced by May 15, 2000. Since the date of the hearing, Pogo has continued to work with the interest owners in the well unit to secure voluntary agreements, and has come to terms with most of them. However, due to rig availability problems, there is now insufficient time to commence the well. Therefore, Pogo requests an extension of the commencement deadline in the order to July 15, 2000. Thank you for your consideration of this request.

Very truly yours,

James Bruce

Attorney for Pogo
Producing Company
