Re: Case No. 12342; application of Devon Energy Corporation
(Nevada) for compulsory pooling

Case No. 12319; application of Nearburg Exploration
Company, L.L.C. for compulsory pooling

Dear Ms. Wrotenbery:

This letter requests that an order in the above matters be issued as soon as possible. The two cases (heard on February 3rd) are counter-pooling applications involving the N½ §30-17S-27E. Both parties are experiencing severe rig availability problems, and Nearburg has an expiring lease problem. Therefore, both parties are anxious for a quick decision. Thank you for your consideration of this matter.

Very truly yours,

James Bruce

Attorney for Devon Energy
Corporation (Nevada)
