Re: Division Case No. 12321; Application of Chevron USA Production Company

Dear Mr. Ashley:

Enclosed please find the following:

1. Affidavit of John Allred with exhibits;
2. Hartman's proposed Order of the Division in this matter.

I would appreciate it if you would accept Mr. Allred's affidavit for inclusion in the file, since it addresses an issue which came up unexpectedly for the first time at the hearing in this matter regarding the cause of water out of zone within the Chevron-operated East Monument South Unit Waterflood. Please note that the Affidavit is a second fax copy. I will provide you with the original copy for your files as soon as we receive it next week.

If you have any questions, please feel free to contact me.

Very truly yours,

GALLEGOS LAW FIRM, P.C.
