**Application of Doyle Hartman, Oil Operator for rescission and reconsideration of portions of Division Order No. R-9073, as amended, affecting lands in Townships 22 and 23 South, Range 36 East, Lea County, New Mexico.** Applicants seeks rescission and reconsideration of portions of Division Order No. R-9073, which authorize the current operator of proration units in portions of Townships 22 and 23 South, Range 36 East, Lea County, New Mexico, to avoid the separate meter requirements of Division Rule 403. The special metering provisions were adopted by Division Order R-9073 in December, 1989. Applicant seeks to require the operator of the proration units effected, which are specified in Exhibit A to Order R-9073, to separately meter each well in the subject proration units. Applicant further requests that the Division order the current operator, Raptor Resources, Inc., to appear and provide evidence that the testing procedures required by Order R-9073 are being followed and for production of those test results.
