Re: Hood "8" Well No. 1
Administrative Application of
Tamarack Petroleum Company, Inc.,
for an unorthodox subsurface drilling/producing
window for its Hood "8" Well No. 1 located in Unit B,
Section 8, T17S, R38E, Lea County, New Mexico

Dear Mr. Stogner:

On behalf of Tamarack Petroleum Company, Inc. and in accordance with Division Rule 111 and Rule 104, please find enclosed the referenced application for approval to drill this well directionally within an unorthodox subsurface drilling and producing window.

Tamarack previously filed a separate application with OCD-Hobbs requesting approval of the directional wellbore and the APD. The purpose of this application filed with you, is to obtain approval for the various possible unorthodox subsurface locations within this proposed drilling producing window.

Tamarack proposes to re-enter the Anadarko-Hood 8 Well No. and to drill directionally to a depth of approximately 8200 feet and then vertically to a total depth sufficient to test the Atoka formation at a projected location of 1179 feet from the north line and 2211 feet from the east line.

Mr. Michael E. Stogner
Oil Conservation Division
March 10, 2000
-Page 2-

The primary objective is an oil well in the Strawn formation (wildcat) but with the well being drilled to the Atoka as a possible gas well. In addition, the Wolfcamp is a possible secondary objective.

However, in order to reduce the costs of controlling the wellbore to this specific target Tamarack desires a tolerance of 110 foot radius circle around this subsurface location. Therefore, Tamarack requests an unorthodox subsurface drilling and producing window which includes the following:

not closer than 318 feet to the north/south center line within
Section 8 and not closer than 36 feet to the south line of Unit
B of Section 8

Please call me if you have any questions.

Very truly yours,

A handwritten signature in black ink, appearing to read 'W. Thomas Kellahin', is written over the typed name. The signature is fluid and cursive, with a large initial 'W' and a long, sweeping horizontal stroke at the end.
