Gentlemen:

We have previously contacted Mr. Richard H. Evans by mail relative to an Oil and Gas Lease on a small mineral interest (93/42972 x 1/8) you own in the captioned tract. We are preparing to drill in this section and are trying to lease all open interests.

We are offering a total bonus to you of \$50.00 for a 1 year lease on your interest, providing for a 3/16 basic Royalty. Please let us know your intentions as to this interest. If you elect to lease we will forward an Oil and Gas Lease prepared for execution by your company. Thank you.

Re: Oil & Gas Lease
Lea County, New Mexico

Dear Mr. Evans,

I am currently acquiring oil and gas leases in Lea County, New Mexico for the account of Stevens & Tull, Inc. of Midland, Texas. I have checked the records in Lea County, and have determined that you are the owner(s) of a small mineral interest in the SE/4 of Section 1, of Township 20 South, Range 38 East. Apparently this was originally a full 1/8 interest and was owned by Standard of Kentucky; and through its dissolution you, as a shareholder, were deeded your proportionate interest.

In our efforts to acquire leases on all interests, in this Section and in certain adjoining sections, we have offered \$150 per net mineral acre as a bonus consideration for leases providing for a three year term and a 3/16 royalty. Your interest(93/42972x1/8) is small enough that our offer on a per acre basis would not be worthwhile for you; therefore my offer to you is a total bonus offer of \$50 for a lease on your interest on the above terms, and as reflected on the enclosed Oil & Gas Lease.

If this offer is acceptable, please sign the Oil & Gas Lease (joined by your spouse; or indicate your marital status, i.e., widow, widower, etc; or if this is your separate property, so indicate.) before a Notary Public; retain one copy of the Oil & Gas Lease for your file; and return one fully executed and notarized copy to me in the enclosed self-addressed envelope. I will immediately forward to you my check in the amount of \$50, as agreed.

To whom it may concern:

The enclosed leasing offer covers a mineral interest obtained by Mr. Chudy as a stockholder in Standard of Kansas. It was dissolved years ago and its assets distributed to its stockholders in accordance with the number of shares each owned.

I have not attempted to fill out the top portion of the lease; the signature portion, or the acknowledgement portion for the Notary Public. I ask that you complete these parts to conform to your own business methods, but do ask that some authorization be furnished to allow me to pay the consideration due, and to give us some means of knowing that we are, in fact, leasing the interest owned by Max R. Chudy or his heirs.

Thank you, and if I may be of any help please call my letterhead phone number or 915-699-4916.

Dear Jack:

As we discussed by phone today, we enclose an Oil and Gas Lease prepared for your signature. Please sign as indicated; insert your Social Security Number; have your signature acknowledged by a Notary Public, and return to this office as soon as possible. We will forward our check in the amount of \$150 upon receipt of the Lease.

Regarding the question of how to handle matters involving your wife's portion of your estate, it seems that with regard to your New Mexico property, the ownership came to you by way of inheritance, thereby making it your separate property. In this case, your wife did not own any of the interest, and therefore her death could not affect your ownership. If the two of you had community property involving real estate, you may want to consider filing the Will for probate, and letting that be sufficient. An attorney would have to help you with that.

Thanks for your help.

Yours very truly,

James H. Shaw

Dear Mr. Reid,

We have previously contacted you regarding an Oil & Gas lease on the mineral interest you own in Sections 1 & 11, T-20-S, R-38-E. Since we have not heard from you, we take this opportunity to re-state our offer.

We have assembled leases in this area, and have a major interest in the sections concerned. We offer you the following for a lease providing for a three year primary term; a 3/16 royalty; and to be on the enclosed lease form. Our bonus terms are:

1) For a Lease on the above terms we offer \$150 per net mineral acre, and you appear to own the following:

Section 1 = $1/3 \times 1/64 \times 160$ acres = 0.833 net acres x \$150 = \$124.95;

Section 11 = $1/3 \times 1/128 \times 80$ acres = 0.2083 net acres x \$150 = \$31.25; or a total of \$156.20.

If acceptable, please execute the enclosed Lease before a Notary Public; indicate your Social Security number; and return to this office in the enclosed, self-addressed envelope. We will immediately forward to you our check in the above amount.

Thank you,

Yours very truly,

James H. Shaw

Dear Mr. Reid,

I wrote you a letter in April and enclosed an Oil & Gas Lease covering your interest in the minerals formerly owned by your parents in Section 1, T-20-S, R-38-E, Lea County, NM. I have received leases from the other family members, and am writing you at this time to determine if you received my first letter (and enclosed Lease), and if you have any questions, etc I can help you with. Please call if I can be of help. Thank you.

RE: Oil & Gas Lease
Lea County, N.M.

Dear Mr. Reid

I am currently acquiring oil and gas leases in Lea County, New Mexico for Stevens & Tull, Inc, of Midland, Texas. I have made a search of the Lea County records, and find that you appear to be the owner of mineral interests as set out below, and that your interests are currently not under lease. I am interested in acquiring a lease from you, and make the following offer, subject only to approval of title:

- W-76*
- 1) Bonus consideration of \$150 per net mineral acre; (your interest, appears to be a 1/3 x 1/64 interest in the SE/4 of Section 1, and 1/3 x 1/128 interest in the W1/2NW/4 of Section 11, all in Township 20 South, Range 38 East, Lea County, New Mexico, or 1.04 net acres.) *833 x 1.04 = \$156.00*
- 2) Primary term of three(3) years for a lease on the enclosed form (Paid-Up basis);.
- 3) Basic royalty to be three- sixteenths (3/16).

I enclose an Oil & Gas lease prepared (in duplicate) on the above basis, and ,if acceptable, ask that you and your spouse (assuming the property is community property, unless otherwise owned) sign before a Notary Public; retain one copy for your records; indicate your Social Security number in the space provided; and return the completed original to me in the enclosed stamped, self-addressed envelope. I will immediately furnish you a check in payment of the agreed bonus consideration. I suggest this manner of payment to avoid bank charges by both your bank and mine; however, if you prefer, I will forward to you a Collection Draft for your use through your local bank.

If you have questions, please call. Thank you.

Yours very truly,

James H. Shaw
