Re: Case No. 12401; application of Ocean Energy Resources,
Inc.

Case No. 12374; application of Yates Petroleum
Corporation

Dear Mr. Catanach:

Enclosed, per your request, is production data from the Townsend State Well No. 5 from May 1 to date. The enclosed sheet also includes Ocean's overproduction calculation. Ocean had not previously calculated overproduction, and had simply used the Division's numbers.

Very truly yours,

James Bruce

Attorney for Ocean Energy
Resources, Inc.
