1 WHEREUPON, the following proceedings were had at
2 12:29 p.m.:

3 EXAMINER CATANACH: At this time I will call Case
4 Number 12,417, which is the Application of Saga Petroleum,
5 L.L.C., for statutory unitization, Lea County, New Mexico.
6 Call for appearances in this case.

7 MR. CARR: May it please the Examiner, my name is
8 William F. Carr with the Santa Fe Law Firm Holland and
9 Hart, L.L.P. We represent Saga Petroleum in this matter,
10 and I would also request at this time that you call Case
11 12,418, which is a companion Application for the waterflood
12 project in the unit which is the subject of the original
13 case.

14 EXAMINER CATANACH: Okay, at this time I'll call
15 Case 12,418, which is the Application of Saga Petroleum,
16 L.L.C., for approval of a waterflood project for its
17 Crossroads Siluro-Devonian Unit area and qualification of
18 said project for the Recovered Oil Tax Rate pursuant to the
19 Enhanced Oil Recovery Act, Lea County, New Mexico.

20 Call for additional appearances in either of
21 these cases.

22 There being none, Mr. Carr, you may proceed.

23 MR. CARR: Mr. Catanach, these cases were
24 originally presented to a Division Examiner in September of
25 the year 2000. At the time of the hearing the Examiner

1 requested additional data be provided. The data has been
2 provided.

3 There was also a question concerning the notice
4 that was provided in the case. Certain parties were not
5 notified of the original application. All parties have now
6 been renotified, with the exception of Alpha Resources,
7 Inc., and we've previously provided to the Division a copy
8 of the assignment of the interests which are at issue from
9 Alpha Resources, Inc., to Saga Petroleum.

10 We therefore would request that we be given
11 permission to present notice affidavits, which are marked
12 as Exhibit A in each of these cases, and would request that
13 the cases be taken under advisement based on the September
14 record.

15 EXAMINER CATANACH: Okay, and you do have
16 additional -- I'm sorry, you're doing the affidavit of
17 notice. Do you have additional evidence to submit at this
18 time?

19 MR. CARR: We presented and delivered to the
20 Division yesterday by letter dated July the 11th the
21 additional information. I have additional copies if you'd
22 like them marked to include in the record of the hearing
23 today.

24 EXAMINER CATANACH: Are we going to enter that as
25 an additional exhibit, or --

1 MR. CARR: We can mark the letter with the
2 attachments as Exhibit B if you desire.

3 EXAMINER CATANACH: Okay, I guess we can go ahead
4 and do that.

5 MR. CARR: So we would also -- We would then move
6 the admission of Exhibits A and B in Case 12,417, and move
7 the admission of Exhibit A, which is the notice affidavit
8 in Case 12,418.

9 EXAMINER CATANACH: Okay, Exhibit A and B in
10 Cases 12,417 and 12,418 will be admitted as evidence.

11 MR. CARR: And that concludes our presentation.

12 EXAMINER CATANACH: Okay. There being nothing
13 further, Mr. Carr, Case 12,417 and 12,418 will be taken
14 under advisement.

15 MR. CARR: Thank you, Mr. Catanach.

16 EXAMINER CATANACH: Thank you.

17 (Thereupon, these proceedings were concluded at
18 12:32 p.m.)
