Re:

Application of Amerada Hess Corporation for Approval to Conver the NMGSAU wells Nos. 215 and 503 to Injection in the North Monument Grayburg San Andres Unit, Lea County, New Mexico

Dear Ms. Wrotenbery and Mr. Carr:

Reference is made to my letter to you of June 14, 2000 on this matter.

Paragraph D. on the second page of that letter should be corrected to read: The injected water will always be contained in the unitized interval of the <u>North Monument</u> Grayburg San Andres pool. My letter incorrectly identified the pool as "Eunice Monument".

Sincerely,

GALLEGOS LAW FIRM, P.C.
