Re: NMOCD Case No. 12441; Application of LG&E Natural Pipeline, LLC

Dear Mike:

I acknowledge receipt of the subpoena *duces tecum* in the above matter. Although much of the documentation identified in the subpoena is not relevant to the application, we plan on responding and producing materials at the time and place you have identified.

Separately, the hearing on this application should not be "complicated and lengthy" as your letter suggests and the parties have been afforded ample time to prepare. Consequently, there are no grounds for continuing the hearing in this matter.

As always, should you wish to discuss, please do not hesitate to call.

Very truly yours,

MILLER, STRATVERT & TORGERSON, P.A.
